**DECLARATION:**  
 I, Richard Cushmano (with note 3) employed by Controls Corp. of America and being the person having full authority and responsibility for the quality of the end product do solemnly declare that the information contained in this form is true and to the best of my knowledge represents the product for which registration is sought. The dimensions, materials of construction, pressure, temperature ratings, and identification markings are in accordance with the herein named standards. I further declare that the manufacture of these fittings is regulated by a Quality Control Program which extends to each plant where fabrication is done or in part and has been verified by INTERTEK SERVICES CORP. as being suitable for that purpose and I make this declaration conscientiously believing it to be true and knowing that it is of the same force and effect as if made in person.
