

TORCH HANDLES & CUTTING ATTACHMENTS

800 TORCH HANDLE & ATTACHMENTS

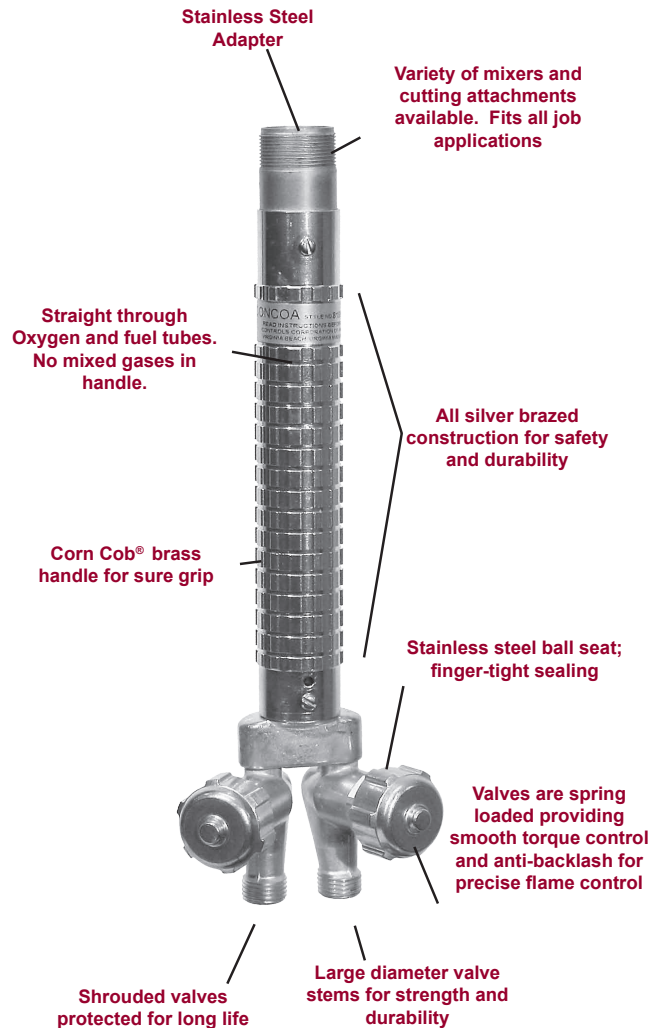

The 800 Series handle is a heavy duty torch suitable for the most demanding heating, welding, and cutting applications. With a superior flow for heavy heating, the torch can provide up to 1.35 million BTUs per hour with an appropriate tip. The torch can also be combined with 4800-5800 Style attachments for cutting up to 8" (20 cm).
